

Specialized First Aid Instructor Course

The Specialized First Aid Instructor Course is designed for Wilderness & Remote First Aid and Emergency Care Instructor candidates. The focus of this course is instructional techniques required to deliver the Canadian Red Cross' specialized courses; these include delivering scenarios, teaching in varied environments, and organizing specialized courses. The combination of these types of Instructor candidates encourages a rich learning environment that is built on instructional skills. It also allows Instructors to be able to teach other First Aid programs with minimal course work.
